WEDDINGS

A jewel of the MidCoast, Grey Havens Inn is perched on the rocky shores of the Atlantic coast and offers you a private retreat for your special day. Stunning scenery, delicious cuisine, and attention to detail ensure that your wedding experience is one to remember.

A UNIQUE VENUE

A SINGULAR EXPERIENCE

If you've dreamed of getting married with an ocean view, Grey Havens Inn is your ideal location to make it happen. We offer a dreamlike setting that only a handful of people get to experience each year.

You'll arrive the day before the wedding so that you can settle in and enjoy the panoramic view from your private balcony. You might toast your family and friends with a rehearsal dinner at BLUE, or head out to enjoy a lobster bash at the famous Five Islands Lobster Pound, located just a few minutes away.

On the big day, you'll celebrate your marriage on our lawn with the ocean sparkling behind you. After the ceremony, gather with friends for cocktail hour on our gorgeous wrap-around porch and enjoy the amazing view. Then, head to dinner at one of our two dining venues. Our indoor space, BLUE, overlooks the water and accommodates up to 60 people. Our outdoor space accommodates up to 110 guests and offers sweeping views of the sea.

After dinner the night is yours to celebrate with dancing and cocktails. In the morning you'll enjoy a leisurely breakfast before heading out to the beach and the first day of your married life.

At Grey Havens Inn, we pride ourselves on making dream weddings a reality and no detail goes unnoticed. We'll help you along the way as your wedding coordinator and we can connect you with the top-rated professionals in the area you may need, including musicians, DJs, florists, photographers, officiants, hair and makeup, and more.

Our vendor handles your tent rental and everything that goes along with it, including tables, chairs, linens, china, glassware, and the dance floor.
